### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: allowance of claims 1-7, 9-12, and 14-22 is indicated because the prior art of record does not show or fairly suggest the claimed invention as amended, where the thermistor comprises a body formed of a core-shell microstructure of particles, each particle has a chromia-based core coated with a shell to reduce chromia loss due to chromia volatilization at high temperatures and the shell comprises a rare earth element compound as noted in claims 1 and 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
